Dear Graham,

I am writing to express my thanks for the wonderful evening we had at Trinity last Saturday.

The feedback was full of praise for you and your band, we are still talking about it. Everybody is looking forward to you coming again in the Autumn.

I know you lead a very busy life Graham, and for you to fit this concert in for us was wonderful and we are extremely grateful.

Our final figure raised after expenses was £330 + 00p.

Once again many thanks for bringing your skills to bear and again for our Church Trinity, we are again in your debt.

P.T.O.

Grateful Thanks &
Best Wishes
Pete

P.S. Would you please ~~congratulate~~ express
our grateful thanks to the
West Belkott Concert Band when
you next rehearse.
Thanks.
