

INVITATION

From

West Bergholt Concert Band

Are you learning to play a wind or brass instrument and enjoy making music?

If the answer is **yes** then why not come along and join us for one of our rehearsals?

We have a Training Band just right for Grades 1-4 and we play great music. We rehearse weekly during term time from 6-7pm at Heathlands Primary School, West Bergholt and have great fun. We also perform concerts several times a year raising money for charity.

We promise a warm and friendly welcome and we are sure you will have fun. Why not come along and try us out? If you know someone else who plays why not bring them along too.
